

Welcome Back!! August 2016

*Team & Company*

## SYNERGY DANCE ACADEMY

We are celebrating 10 years of business this year! This is sure to be our best season yet.

Teams and Company will compete on stage this season!  
Scholarships given out at our year end celebration in May!

Dance classes begin August 1<sup>st</sup>. Please double check your students' classroom assignment before coming to the studio as they may have changed.

Tuition will be charged on the 5<sup>th</sup> of every month beginning with August 5<sup>th</sup>. Late fees applied if payment isn't collected by the 20<sup>th</sup> of each month. If you are new and don't have a credit card on file, please see the office before August 5<sup>th</sup>.

Team fees are charged on the 20<sup>th</sup> of the month from August-March. This includes the team fees outlined in your team contract.

Email is our main communication at the studio. Please make sure we have an email for you that you will check often. We also use recorded phone messages, and keep our website up to date. Also, join our FB page to receive important information.

What to wear!

Ballet- Dancers must wear pink ballet tights, pink ballet shoes, and a black leotard.

Other classes- No baggy clothing. Dance clothes must be worn. Other stipulations at the teachers discretion.

Make-up classes

It is required for all advanced dancers to make-up ballet and technique classes missed. We keep track of attendance and use this when formulating teams the next season. It is a good idea to have your dancer make up her classes regardless of level. Missing a class here and there adds up quickly.

Parking procedures. VERY IMPORTANT! Please follow all signs for entry/exit. Please view the parking procedure link on the email. For safety reasons, please ask your dancers to wait inside the building for pick-up.

If you have questions regarding your dancers level, please ask your instructor. We will take the first month of class reviewing material (keep that in mind).
