

REVUE INFORMATION

Tickets- Spectators must purchase a ticket. Please let all your guests know this is the case. Tickets are \$5/person. Buy 3 tickets and get 1 free! Dancers do not need a ticket, children ages 3 and under do not need a ticket. You may pre-purchase your tickets at the studio beginning January 18th.

Shows- We split our Revue into several "Shows," each show will last less than 1 hour. Please stay for the entire show your dancer is in.

Dancer Check-in- Dancers must "check-in" with Synergy staff. We have several holding rooms (divided by age) staffed with adults. Your dancer will wait here, be taken to perform, and brought back to the holding room for you to pick-up. These rooms are for your convenience! If you prefer to keep your dancer with you, that is fine, please bring him/her to the holding room 4 dances before they perform.

Photos- A photo area will be set up in the lobby for your use!

Seating- Special seating for handicap and elderly patrons is reserved in the front.

Arrival- Please arrive at least 20 minutes before your Show begins. There is plenty of seating!! No need to arrive hours early. We have short intermissions between shows for spectators to enter and exit. Dancers are free to go when their show is over.

DRESS REHEARSALS-

Dress rehearsals will be in class the week of the Revue. Please have your dancers wear their full costume- hair and make up is optional for dress rehearsal.
