Costume Try-ons Sept 26th–Oct 7th

Please bring your dancer to Studio 1 lobby to be fitted for their costume. Parents will sign off on the size of costume to be ordered.

How it works:

*Try-on OVER DANCE CLOTHES. Do not take to the bathroom and change.

*Try-ons are black leotards (not the actual costume)

*Dancers will wear the same costume for the show in January and May (keep this in mind when choosing a size.)

*Costume deposits have been already been charged \$30/costume

*Your costume balance will be charged September 20th \$30/costume

A Decade of Dance

We are celebrating our 10 year anniversary this year! As part of our January revue we would like to display pictures from our past revues. If you have danced with us previously and have pictures you would like to share, please email them to marnie.synergy@gmail.com. Please include with your attachment what year the image(s) was taken.
