This summer's master classes have been phenomenal! More special guests coming soon.....

Company

News Sept 2016

We are celebrating our 10 year anniversary this year! As part of our January show we would like to display pictures from our past seasons. To share pictures, email to marnie.synergy@gmail.com Please include year the image was taken and what company you are currently on.

HOLLYWOOD VIBE NATIONALS!

Choreography begins!

September has arrived! Company has a strict attendance policy to ensure your dancers' development. Attend all classes! We are excited for another successful year.

Team clothing order and try-ons

September 12th-15th

Company members must also purchase at least 1 dance wear item. Dancers will be required to wear these at extra rehearsals and can wear them to any class.

Company Calendar

Hopefully everyone has been able to make the company calendar work and has downloaded the app so you can access event details from your smart phone. We have a few date changes!

Competition May 5th-6th has been canceled and replaced with a national competition circuit coming to Utah for the first time! Date for this competition is April 27th-29th. Please see the Company Calendar for detailed event info. (Solos must sign up through the studio for this event).

Company Evaluations

Track your students' progress throughout the year! This is a 4 step process.

1. from our website (or this email) print out the student goal sheet. This will help us guide your dancer!
2. Dancers will be evaluated in September by their ballet, jazz, and choreography teacher.
3. Mid-year evaluations will be done in January by ballet and technique teacher.
4. End of year evaluations will be done by ballet, technique, and choreography teacher.

A special link on our website will help you get the most out of your evaluation. Know what your dancer needs to work on to reach their goals!

Congrats Scholarship Winners!

Hollywood Vibe Nationals was a success.

Provo Epic

with Denise Wall and many more
