

September News 2016

Team Newsletter

We are celebrating our 10 year anniversary this year! As part of our Team Show we would like to display pictures from our past seasons. If you have pictures you would like to share, please email them to marnie.synergy@gmail.com. Please include with your attachment what year the image(s) was taken and what team you are currently on.

For more information on who will be teaching the 17th, follow the registration link.

Team Calendar

We are working on creating a private team calendar that would list all dates, events, and venues the team will be attending.

We like to keep this information confidential! Until this calendar is ready to go, please save the following dates:

EPIC CONVENTION

The Epic convention is coming! Sept 30th-Oct 1st to City Creek, SLC. Book your rooms before Sept 9th to get the Epic rate of \$149/night.

Marriott at City Creek

75 South West Temple
801.531.0800

Epic is a stepping stone into the convention world. If your dancer is interested in a career in dance, dance conventions will become a bigger part of their training. Dancers will be educated on convention etiquette during classes.

The convention experience is much different than class. And like any skill, dancers will become more successful at conventions the more practice they have attending conventions.

We are doing a mock convention Sept 17th for team students. Dancers will come from 12-3pm and rotate through 3 classes meant to simulate convention. This is not required, but highly recommended, especially for intermediate and advanced dancers.

Call or use registration link from this email to register.
Cost: \$16/dancer mini
Cost: \$24/dancer junior
Fabulous Guest Instructors!

Team clothing order and try-ons

September 12th-15th

NEW TEAM JACKET!

We are excited for a new warm-up style. The team jacket is required for all team members, although you do not need to order the new one, you can still wear the older style.

Team members must also purchase at least 1 dance wear item. Dancers will be required to wear these at extra rehearsals and can wear them to any class.

"Set a goal to attend ALL your classes for the month! Missing only a few classes here and there really adds up!"

Team Evaluations

Track your students' progress throughout the year! This is a 4 step process.

1. From our website (or this email) print out the student goal sheet. This will help us guide your dancer!

2. Dancers will be evaluated in September by their ballet, jazz, and choreography teacher.

3. Mid-year evaluations will be done in January by ballet and technique teacher.

4. End of year evaluations will be done by ballet, technique, and choreography teacher.

A special link on our website will help you get the most out of your evaluation. Know what your dancer needs to work on to reach their goals!

Team showcase	Feb 25th
Exhibition competition	Mar 11th
competition	Mar 18th
competition	April 1st
competition	April 22nd
competition	May 6th
Year End Celebration	May 30th
